MEMO FROM: Brian Gray, Superintendent of PRC

RE: Fees and Charges for Fiscal Year 2018-2019

INTRODUCTION

The attached FY 2018-2019 proposed Recreation Fees and Charges Schedule ("Schedule") identifies the current and any proposed fee modifications to the Department's programs. This Schedule is used to display each program and fee, and although it includes the estimated revenue associated with each program, it does not represent total operating budget revenues. The Schedule was prepared after the Department staff reviewed the over 150 programs offered relative to current operating costs, enrollment, competitiveness with other municipalities and private programs and the last time the fees were modified.

The Schedule was reviewed with the Advisory Council on Parks and Recreation ("Council") at their December 13, 2017 meeting and all program fees were supported and approved by the Council.

Below please find a summary of the program fee changes proposed in the FY 2018-2019 Schedule with the entire Schedule attached. The Schedule will be formally presented and discussed on January 18, 2018 at the Village Board's Finance Committee meeting.

Table with 4 columns: Program Name, Current Fee, Proposed Fee, Last Increase. Row 1: 1. TENNIS PERMITS (page 1). Sub-rows: Adult (\$110 to \$120, 2016), Senior Citizen (\$60 to \$70, 2016), Junior (\$65 to \$75, 2016), Adult M.S. (\$138 to \$143, 2016), Senior Citizen M.S. (\$75 to \$85, 2016).

Tennis permit fees were last raised in 2016. Permit sales have seen a slight decline over the past few seasons. The proposed fee increase is to offset Tennis Attendant salaries with respect to

increasing NYS Minimum wage and offering a competitive hourly rate to attract and retain competent staff.

2. TENNIS LESSONS (page 1)

Tennis lessons offered by the Department are conducted by tennis professionals and their salaries need to remain competitive in order to retain qualified staff. The fee has not been increased since 2015 and the proposed fee increase is to cover the cost of the contractors pay increases primarily for their tennis instructors. This fee is within the range compared to other municipalities.

The proposed fee increase reflects the new and proposed minimum wage and provides our summer staff competitive wages. The fee increase proposal provides the Village to offer a competitive hourly rate for summer staff to compete with private camps and other municipalities to retain and recruit qualified staff.

The late registration fee helps incentivize on-time registration, assisting the Department in planning accordingly for annual staffing needs.

8. TEEN TRAVEL CAMP (page 2)

Session 1	\$1,500	\$1,600	2015
Session 2	\$1,000	\$1,100	2015

The NYS Minimum Wage as of December 31, 2017 is \$11.00 per hour and is scheduled to increase to \$12.00 per hour on December 31, 2018. The proposed fee increase reflects the new and proposed minimum wage and provides our summer staff competitive wages. The fee increase proposal provides the Village to offer a competitive hourly rate for summer staff to compete with private camps and other municipalities to retain and recruit qualified staff.

Traditionally the Teen Travel Camp offered by the Department reaches its maximum number of registrants. In addition to the impact the NYS Minimum Wage increase has on staff salaries, each year the costs associated with the trip admission prices and charter bus services increase resulting in the need to raise the fees to continue offering desirable trips for the young residents of Scarsdale.

9. PLATFORM TENNIS DAILY ADMISSIONS (page 2)

Resident	\$14	\$15	2009
Non-Resident	\$16	\$20	2009

These fees are for residents and non-residents who do not have tennis permits and want to use the tennis courts. These fees are collected by a tennis attendant at the courts. 10. ATHLETICS (page 3)

Basketball K-2 Sunday Clinic	\$80	\$90	2017
-------------------------------------	------	------	------

The Department assumed responsibility for this program in December of 2015 from the Neighborhood Athletic Associations. This program is held on Sundays in the five elementary schools throughout the Village. The Department is charged both overtime and a facility use fee from the Scarsdale Union Free School District for Sunday school use. The proposed fee

increase is to offset the aforementioned additional charges to ensure the program is revenue neutral.

Football K-6th Grade Flag	\$100	\$110	2015
Football 3rd – 6th Grade Tackle	\$175	\$185	2015
Football 7th and 8th Grade	\$225	\$235	2015

The Department organizes and supervises the Scarsdale Youth Football League which is a travel tackle football program that includes 12 youth football teams from areas in Westchester County. In addition to the aforementioned tackle league, the Department offers Flag and Tackle Football Programs for children grades K – 8th. The fee increase is proposed to offset the amount of staff time and supervision that the Department provides with relation to expenses associated with conducting these programs.

Golf Tournament- Adult (page 4)	\$150	\$175	2014
--	-------	-------	------

Costs being charged by the three golf clubs (Fenway, Scarsdale, Quaker Ridge) we run our tournament have increased yearly resulting in the need for a fee increase.

11. OTHER PROGRAMS (page 6)

Fifth Grade Pool Party	NEW	\$10.50	NEW
-------------------------------	-----	---------	-----

Prior to the summer of 2017, the Department did not conduct registration for the 5th grade pool party as this was orchestrated by the Elementary School PTA’s. At the conclusion of the party, the Department would then get reimbursed by each Elementary School PTA offsetting the fees charged associated to the program. In an attempt to streamline the registration and accounting for the program, in 2017 the Department began collecting registrations. Fees collected pay for lunch and additional staffing associated with the influx of patrons to the aquatic facility.

Fitness for Kids	\$150	\$165	2015
-------------------------	-------	-------	------

This fee has not been increased since 2015. The proposed fee change will provide for a modest instructor salary increase.

12. POOL PERMITS (page 7)

Family	\$428	\$443	2017
Individual	\$252	\$267	2017
Weekday Family	\$312	\$327	2017
Weekday Individual	\$176	\$191	2017
Single Use	\$95	\$110	2017

DAILY ADMISSIONS (page 7)	\$10	\$12	2006
----------------------------------	------	------	------

DAILY FEES (page 7)

Single Use	\$6.00	\$8.00	2011
Weekend Use	\$6.00	\$8.00	2011
Seniors	\$3.00	\$4.00	2011

The NYS Minimum Wage as of December 31, 2017 is \$11.00 per hour and is scheduled to increase to \$12.00 per hour on December 31, 2018. The proposed fee increase reflects the new and proposed minimum wage and provides our summer staff competitive wages. The fee increase proposal provides the Village to offer a competitive hourly rate for summer staff to compete with private clubs and other municipalities to retain and recruit qualified staff.

13. EARLY MORNING SWIM (page 7)

\$110	\$130	2017
-------	-------	------

Additional program hours were added to the Early Morning Swim Program in 2014. In line with the proposed higher hourly rate for staff based on the increased minimum wage, and the necessity to secure adequate staff coverage during the hours of the 6AM to 10AM shift, a fee increase is necessary to ensure a positive revenue stream.

14. SWIM/DIVE TEAM (page 8)

\$200	\$220	2013
-------	-------	------

The swim team has been a successful program and requires many coaches and administrative oversight. The increase will assist with coaches salaries enabling us to offer competitive salaries to retain our qualified staff.
