Scarsdale Fire Station #1 Renovation and Temporary Closure

Scarsdale Fire Station #1 (Popham Road), originally built in 1923 and in need of structural repairs and other work, is being temporarily closed to facilitate a \$4.32M renovation project authorized by the Village Board on January 10, 2017. Station #1 will close on Monday, January 23, 2017, and will reopen upon scheduled completion of the project in spring 2018.

Firefighters normally assigned to Popham Road Station #1 will be reassigned to Scarsdale Fire Station #2, located at the intersection of Tompkins and Fenimore Roads. Firefighting staffing levels will remain consistent and the Fire Department will continue to demonstrate the ability to respond to all areas of the village in a safe and efficient manner, consistent with National Fire Protection Association recommendations.
