### **Burglary of an Occupied Berwick Road Residence**

On Wednesday, April 19, 2017, at approximately 2:16 am, a Berwick Road resident called 911 to report that two men wearing masks were in her home. Scarsdale Police were dispatched to the residence and arrived on scene in 2 minutes and 53 seconds.

The victims reported that they were in bed and were awakened by the sounds of two men in the home. Both the husband and wife confronted the suspects and a physical altercation between the homeowners and the suspects ensued, with no injuries requiring medical attention reported by the residents. Both suspects were able to flee the residence, at which time the homeowner made the above-referenced call to 911.

Initial responding officers interviewed the victims while additional officers began an immediate area search for the suspects. A Westchester County Police tracking canine unit also responded to the scene to aid in the search for the suspects, who were not located. Members of the Scarsdale Police Department's Investigations Section responded to the residence to forensically process the scene and collect physical evidence.

The investigation is active and ongoing, and any additional information will be released as it develops. No arrests have been made at this time.
