## Voluntary Lawn Watering Restrictions

The Village Board at its June 12, 2007 meeting adopted a resolution calling for voluntary lawn watering restrictions effective, Monday, June 18. See the attached schedule for restrictions as recommended by the Water Superintendent.

This voluntary measure is being requested as a result of the extraordinary use of water attributable to early morning lawn watering which is decreasing water pressure in the system due to the high demand. The public's cooperation in complying with this lawn watering schedule is appreciated.

The Lawn Watering Restrictions are as Follows:

**Monday's and Thursday's**

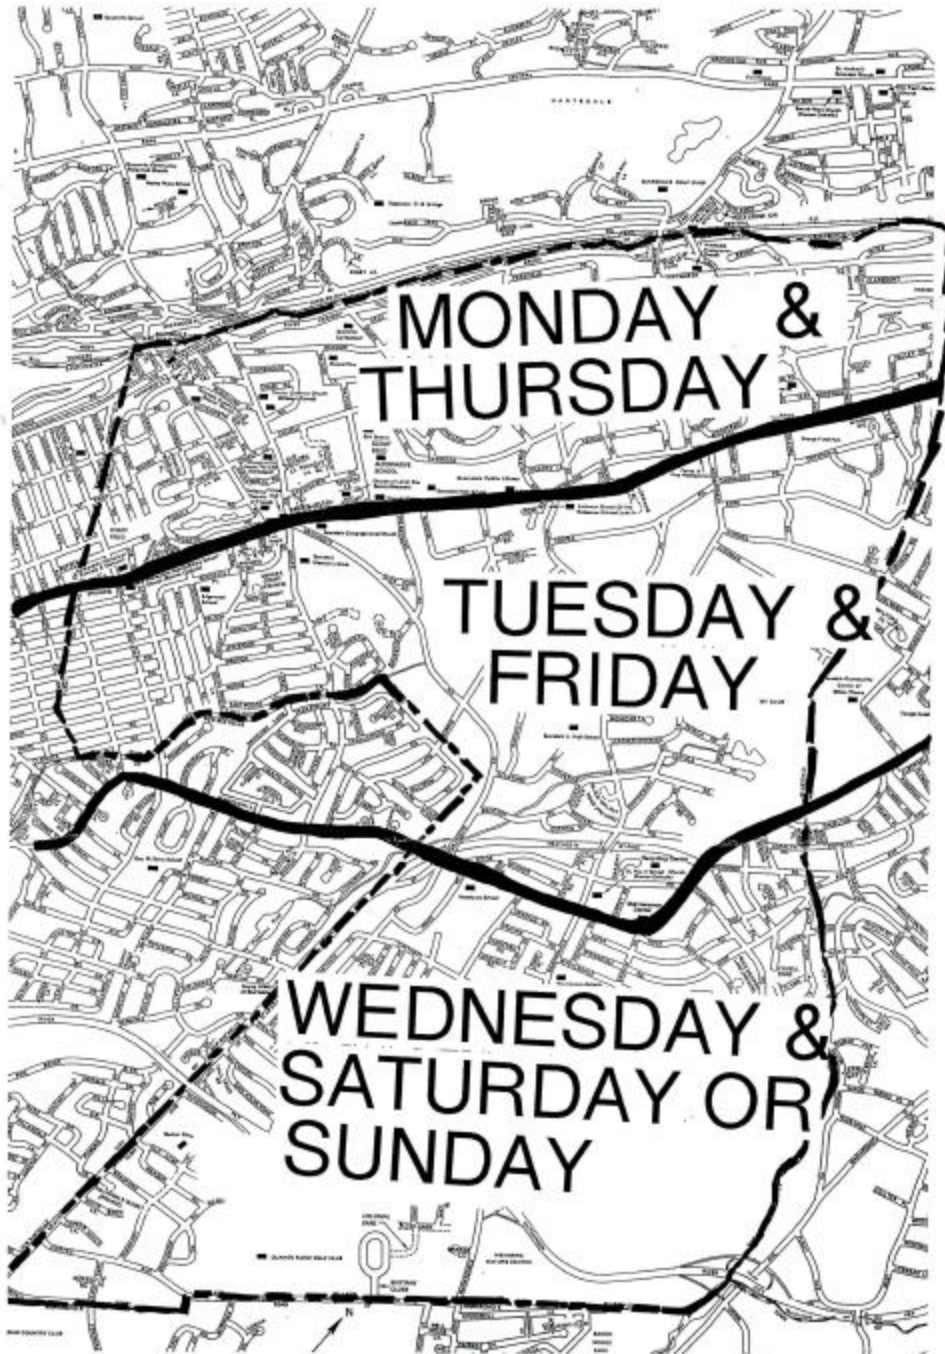

Properties located between the Bronx River Parkway and Post Road are permitted to water their lawn.

**Tuesday's and Friday's**

Properties located between Post Road and Wilmot Road/Palmer Road are permitted to water their lawn.

**Wednesday's and Saturday's or Sunday's**

Properties located between Wilmot Road/Palmer Avenue/Secor Road/Old Mamaroneck Road and the Town of Mamaroneck Boundary are permitted to water their lawn.
