Annual Light the `Dale Celebration – December 01

Kick-off the holiday season with us at Scarsdale’s annual tree and menorah lighting ceremony, Light the `Dale, on Friday, December 01, from 5-7 PM at Boniface Circle! The lighting will take place at approximately 5:30PM. Bring your friends and family to enjoy great food, festive music, and other fun holiday activities including cookie decorating and photos with Santa!

Children can enter their names for a chance to Light the `Dale with Mayor Arest. Visit www.scarsdale.com/recreation and use the registration portal to enter your child for a chance to create an extra special holiday memory. If you have entered the drawing for a chance to light the tree with the Mayor, you must be present by 5:15PM. Names will be drawn after Santa arrives.

We are also continuing the tradition of participating in the Marine Corps’ [Toys for Tots](#) campaign. This year, understanding the increased needs of the less fortunate, Mayor Arest is issuing a special challenge at the Light the `Dale celebration: “Fill A Van for Toy’s for Tots.” Let’s come together to show our community’s generosity in a big way. Bring an unwrapped toy and place it in the donation van, prominently parked at the event. Your contribution can make this holiday season extra special for a child in need.

A special thanks to the Parks, Recreation and Conservation Department, Scarsdale Police and Fire Departments, Scarsdale Volunteer Ambulance Corps, and the Scarsdale Business Alliance, for making this wonderful event come together.
